I Am A Helping Hand

Capo 3

**Intro: G G Em C G Em C D G**

## **VERSE 1**

**G C**

There are a lot of things that only you can do

**G D**

And there are special things that I'm good at, too

**G C**

There are times when special gifts will take the lead

**G D**

And there are times when just a hand is all you need

## **PRE-CHORUS**

n.c.

So I say,

**G C**

Yes, I can help with the dishes

**G D**

Yes, I will pick up my toys

**G C G**

Yes, sir, yes, maam, I can clean my room

**G D G**

And with a joyful noise

## **CHORUS**

**G**

Cause I am a help, help

**C**

I am a help, help

**G D**

I am a helping hand

**G**

I am a help, help

**C**

I am a help, help

**G D G**

I am a helping hand

## **VERSE 2**

Just let me know how you can use my hands

I want to love just like the Lord commands

The bottom line is if it helps you out,

Serving is what I'm about

So, yes, I can walk the dog

Yes, I can fold my shirt

Yes, I can watch my little sister

And finish my homework

Now sometimes I get these a little mixed up

And I say  
Yes, I can fold the dog  
Yes, I can watch my homework  
Yes, I can walk my little sister  
And I can feed my shirt

## **CHORUS**

Cause I am a help, help  
I am a help, help  
I am a helping hand  
I am a help, help  
I am a help, help  
I am a helping hand
