You Can Pray Anytime

Capo 3

A E

From the moment that you wake up, wake up

Gbm D

And you get out of your bed

A E

Even at the bus stop, bus stop

Gbm D

Or if you walk to school instead

A E

You can pray anytime, noon or night

Gbm D

Anytime you need to talk to the Lord, you can do it

A

Just open up your eyes or keep 'em closed

E

Doesn't matter who knows

Gbm D

Just talk to your dad in heaven

A E Gbm D

He will hear you, he will hear you

You could be sitting at your desk at school

Or doin' nothing much at all

It doesn't matter where you are - no rules

It could be summer, spring or fall

You can pray anytime, noon or night

Anytime you need to talk to the Lord, you can do it

Just open up your eyes or keep 'em closed

Doesn't matter who knows

Just talk to your dad in heaven

He will hear you, he will hear you

He will hear you, he will hear you

A E

He will hear what you say

Gbm D

Every minute, every day

A E

He is listening to you

Gbm D

He is listening to you

You can pray anytime, noon or night

Anytime you need to talk to the Lord, you can do it

Just open up your eyes or keep 'em closed

Doesn't matter who knows
