Boss of Me

## A D E D

Tell me what to do, I'll do it  
Tell me who to be, I'll be it  
Show me what to see and I'll see it  
You can be the boss of me

Oh, the boss of me  
You can be the boss of me  
And I don't want anybody else to be  
The boss of me

Teach me what to know and I'll know it  
Show me where to go and I'll go  
It's only you that makes me me  
So you can be the boss of me

Oh, the boss of me  
You can be the boss of me  
And I don't want anybody else to be  
The boss of me

## BRIDGE

Everybody's got somebody that they're answering to  
Criminals and cops and principals and presidents, too  
But when it comes to who will have a say in what I say and do  
Jesus is the only one I'd ever choose

You are good and true  
You know just what to do  
And no one could ever be greater than you

You are good and true  
And I want to be like you  
And no one could ever be greater than you

Oh, the boss of me  
You can be the boss of me  
And I don't want anybody else to be  
The boss of me
