D **G** **D**
I will listen, listen, listen for the Lord

D **G** **D**
I will listen, listen, listen for the Lord

G
His voice is quiet, but his voice is clear

D **G** **D**
I will listen, listen, listen for the Lord

I will keep my eyes open, open for the Lord
I will keep my eyes open, open for the Lord
Though sometimes hidden, I can trust he's near
I will keep my eyes open, open for the Lord

My heart is hoping, hoping for the Lord
My heart is hoping, hoping for the Lord
In times of trouble, in times of fear
My heart is hoping, hoping for the Lord

G
I will wait for you

D
I will wait for you

G **A**
I will wait for you to speak

G
I will wait for you

D
I will wait for you

G **A**
I will wait for you to move
